## Welcome to the RCHA Club!

Remember that both the second and third floors are available for rent,  
please see the bar stewards for more information.

This is a good opportunity to tell you about becoming a member of the RCHA.

We welcome non-military and military alike.

The annual dues are \$100 for November 1st.

The members' dues allow us to be the only downtown music venue that is a registered non-profit. As a member, you will not pay cover charges, and enjoy reduced ticket prices to most events. There are many local businesses offering discounts to RCHA members, a current list is beside the bar. You'd be supporting live music and local artists, helping to preserve a heritage building, and maintaining a historic Kingston association. The RCHA Brigade Association Club was officially opened July 18 1947, and has thrived with the generous donation of time, talent and finances from active and retired military personnel and the general public.

We have lots of fun! Some of the best local, national and international artists have performed at the RCHA.
